

LEAF COLLECTION STARTS IN DELANCO

Starting on November 1, your Public Works Department will begin the long and difficult annual job of collecting leaves along Delanco's curb lines. Collection will end December 30. It will be very helpful if everyone waits to put out their leaf piles until just before the pickup.

Please remember it is against the law to pile leaves on or within ten (10) feet of a storm drainage inlet to prevent it from being blocked up and/or allowing leaf debris to get into it and eventually into the creek and river. Do not mix any other debris in with the leaves as this may cause serious injury to the workers and/or costly damage to the equipment.

Below is the "Planned" collection schedule, with the town broken down into two sections covering the streets listed below. Each section is scheduled for collection on alternating weeks. This plan is subject to change due to weather issues, equipment breakdowns and personnel problems. The schedule will be updated on the website on a regular basis.

If there are any questions about the leaf collection program, do not hesitate to call the Public Works Department at 856-461-6969. With your cooperation, the job will be done more quickly and with less confusion. Thank you.

Section #1

Perkins Lane
Kansas Ave
Illinois Ave
Iowa St
West Ave (W & E)
Memorial Ave
Colgate Ave
Goucher Ave
Princeton Ave
