- Visit [www.delancotownship.com/parksandrecreation](http://www.delancotownship.com/parksandrecreation) for more information on these and other Delanco Recreation Commission events.

## THINGS TO REMEMBER:

- **LOOK BEFORE YOU LOCK--**Parents suffer from exhaustion due to lack of sleep, stress and changes in their normal routine. Any one of these can cause your memory to fail at a time when you least expect it. Even the best of parents or caregivers can overlook a sleeping baby in a car; and the end result can be injury or even death. [Click here](#) for a Safety Checklist with ideas to create simple habits to help keep your child safe. Visit [www.KidsAndCars.org](http://www.KidsAndCars.org) for additional information.
- **TRASH DISPOSAL OF MATTRESSES**  
We have been informed by our solid waste collection provider, Seaside Waste, that effective immediately, all mattresses must be fully wrapped in plastic/tarp material and secured with tape or secured inside a mattress disposal bag. Unwrapped mattresses or those that are not fully secure will not be collected.
- It has been noticed throughout town that there has been a large amount of clean out /construction debris going out for curbside pickup. Any remodeling or projects with excessive amounts of debris are not to be put out with regular trash and will need to get a dumpster. Curbside pickup is for regular household trash only. Please contact Delanco Township at 856-461-0561 for information on regulations for a dumpster.
- **RECYCLING CART PLACEMENT**, where you place your cart for collection is just as important as what goes in! [Click here](#) for details.
- **SWIMMING POOLS**—Permits are required for Swimming Pools which can hold water 24 inches or more in depth. (Township Code, Chapter 254) This includes in ground, aboveground and on-ground swimming pools, hot tubs and spas, regardless if they are permanent structures or will be take down at the end of the summer.
- **GRASS CLIPPINGS** and/or other debris may not be blown into the street as it is a violation of our storm water plan and ordinance 2006-04. This type of debris can be washed by rain into the storm drains, then directly to our water supplies. Grass may be bagged and put out with your regular trash. *Let's work together to keep Delanco a Clean Community!*

Visit [www.delancotownship.com](http://www.delancotownship.com) for updated meetings and events throughout the month.
