TRICK OR TREATING

October 31, 2024 ends at 8:00 PM

HALLOWEEN SAFETY TIPS

Walk Safely

- **Cross the street at corners, using traffic signals and crosswalks. Look left, right and left again when crossing and keep looking as you cross.**
- **Put electronic devices down, keep heads up and walk, don't run, across the street.**
- **Teach children to make eye contact with drivers before crossing in front of them.**
- **Always walk on sidewalks or paths. If there are no sidewalks, walk facing traffic as far to**
- **the left as possible. Children should walk on direct routes with the fewest street crossings.**
- **Watch for cars that are turning or backing up. Teach children to never dart out into the street or cross between parked cars.**
- **Join kids under age 12 for trick-or-treating. If kids are mature enough to be out without supervision, tell them to stick to familiar areas that are well lit and trick-or-treat in groups.**

Costumes for a Safe Halloween

- **Decorate costumes and bags with reflective tape or stickers and, if possible, choose light colors.**
- **Choose face paint and makeup whenever possible instead of masks, which can obstruct a child's vision.**
- **Have kids carry glow sticks or flashlights to help them see and be seen by drivers.**
- **When selecting a costume, make sure it is the right size to prevent trips and falls.**

Drive Extra Safely on Halloween

- **Slow down and be especially alert in residential neighborhoods. Children are excited on Halloween and may move in unpredictable ways.**
- **Take extra time to look for kids at intersections, on medians and on curbs.**
- **Enter and exit driveways and alleys slowly and carefully.**
- **Get rid of any distractions - like your phone - in your car so you can concentrate on the road and your surroundings.**
- **Turn your headlights on earlier in the day to spot children from greater distances.**
- **Be especially alert for kids during trick-or-treating hours**
