

TOWNSHIP OF DELANCO, NEW JERSEY
HISTORICAL PRESERVATION ADVISORY BOARD

ATTENTION ALL VETERANS

The Township of Delanco, NJ Historical Preservation Board has started a Military-Veteran project.

We will be focusing on Delanco residents, both past and present, and their involvement in any and all American military conflicts to date. We wish to include as many Veterans as possible, both male and female as well as members of the Merchant Marine.

There will be a military Collection on display in the municipal building and we are asking for the temporary loan or donation of any military memorabilia. We will also be inviting any interested Veterans to tell us their individual stories and experiences, as we set up a firsthand oral history. Our goal is to share these experiences with our school children so that they fully understand that Freedom has never been free.

If you are at all interested please contact us at: either hlopez9876@msn.com or 201-206-2690.

Henry Lopez, Military Collection Curator
